(e) Witnesses required by the school system to testify at a grievance hearing conducted during the employee's normal working hours will be given time off without loss of pay.

(f) GRIEVANCE PROCESS

i. Step 1 – Informal Review

An educational support employee with a grievance shall first discuss it with the principal or immediate

supervisor directly, the objective being an informal resolution of the matter. The employee shall request an informal meeting with the person who is the immediate supervisor within ten (10) working days of the grievable event. The immediate supervisor must hold an informal meeting with the employee within three (3) working days of the request. The immediate supervisor shall respond to the employee within five (5) working days of the meeting.

ii. Step 2 – Formal Review

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the meeting, the employee may obtain further formal review by filing a completed grievance form with the immediate supervisor. Such grievance must be in writing and must state specifically that this grievance procedure is being invoked. This filing must be received by the immediate supervisor within five (5) working days of the immediate supervisor's response or, if there is no response from the immediate supervisor, within ten (10) working days of the initial request for an informal meeting. The immediate supervisor shall hold a hearing within five (5) working days of receipt of the written grievance and render a written decision within five (5) working days of the hearing. The educational support employee may appear alone or with a representative from the Association.

iii. Step 3 – Appeal

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the hearing, the employee may obtain further review by appealing the matter to the manager/director of the division. The Director will involve intermediate levels of supervisors not considered in step 1 or step 2, and the Senior Manager of Human Resources. This appeal must be in writing and received by the Director of the division within five (5) working days of the immediate supervisor's response or, if there is no response from the immediate supervisor, within ten (10) working days of the date of the appeal filed under step 2. The Director of the division shall hold a hearing within five (5) working days of receipt of the appeal and render

a written decision within five (5) working days of the hearing.

iv. Step 4 – Final Appeal

If the employee is not satisfied, or if no decision is rendered within five (5) working days of the request, the employee may obtain further review by appealing the matter to the Superintendent. This appeal must be in writing and received by the Superintendent within five (5) working days of the step 3 response or, if there is no response within ten (10) working days of the appeal filed under step 3. The Superintendent shall hold a hearing within ten (10) working days of receipt of the appeal and render a written decision within ten (10) working days of the hearing.

v. Step 5 – Arbitration

If the grievant is not satisfied with the disposition of the grievance at step 4, or if no decision has been rendered within ten (10) working days after the grievance was received by the Superintendent, the unit member may, within fifteen (15) working days after receipt by the Superintendent request, in writing, that the Association submit the grievance to arbitration. If the Association determines that the grievance has merit, it may submit the grievance to arbitration no later than forty (40) days after receipt by the Superintendent. If the Association fails to serve such notice of its intention to arbitrate within this time limitation, the grievance shall be considered settled. No individual employee shall have the right to invoke this arbitration procedure.

(g) SELECTION OF ARBITRATOR

i. If the Association and the Board are unable to agree upon the selection of an arbitrator within seven (7) calendar days after the Association's notice of an appeal to arbitration, the Association shall submit the grievance to arbitration under the Voluntary Labor Arbitration Rules of the American Arbitration Association.

ii. The jurisdiction of the arbitrator shall be confined to the express provision(s) of this Agreement at issue

between the Association and the Board. The arbitrator shall have no authority to modify any provision, or decide on more than one grievance without the mutual consent of the Board and Association. The decision of the arbitrator shall be binding on the grievant, the Association, and the Board.

iii. The Association and the Board shall each bear their own expenses and share the cost of the arbitrator.

(h) The timeliness in this section for filing requests for informal meetings and appeals and for the convening of hearings and rendering decisions may be extended only at the mutual consent of the grievant, FASSE, and the Board designee.

(i) The Board and the Association will jointly schedule grievance hearings which are mutually convenient. No reprisals of any kind shall be taken by the Board or by any member of the administration against any aggrieved person, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

(j) All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants.

(k) Forms for filing grievances, serving notices, making appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent or designee and the Association.

(l) All meetings and hearings under this procedure shall not be conducted in public and shall include only the grievant(s), the principal or supervisor, the Superintendent, their designated representatives and relevant witnesses.

Section 3.05 – Personnel File

(a) Material of a negative or derogatory nature must be shown personally to the educational support employee prior to placement in his or her personnel file. The file copy must be signed by the educational support employee to indicate that the employee has seen it.

(b) An educational support employee shall have the right to place a signed, dated response to any derogatory material placed in his or her personnel file.

(c) Educational support employees have the right, by appointment, to review materials in their personnel files. This review shall not include confidential material such as reference letters or information received in the course of initial employment. Educational support employees can have an officer of FASSE present during the review.

Employees may submit a written request to Human Resources to remove material from their personnel file. Such requests and responses shall not be subject to Article 3.04, Md. Code, Educ. 4-205(c), or any other dispute resolution process.

(d) Material related to the grievance procedure will not be placed in the educational support employee's personnel file except as the grievance decisions affect the employee's terms or conditions of employment or if agreed to by the employee.

(e) When termination of an educational support employee occurs, no documents or other materials of a negative nature except those that relate to the reasons for termination shall be placed in the personnel file of said employee.

Section 3.06 – Announcement Of Vacancies

(a) In the event there is an opening for a regular position within the unit, the Board will post notices of such vacancies for a period of at least seven (7) workdays.

(b) The hiring process of all new and vacant positions shall be advertised for seven (7) workdays. A unit member desiring to be considered for a vacancy must apply for the specific vacancy by the specific deadline. The posting shall include the school/work site, location, and hours of the position when known at the time of the posting. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, experience, length of service, and overall needs of the school system. The intent of this language is to ensure a fair and consistent hiring practice in hiring the best

qualified candidate and in no way is meant to compromise the legal right of the Superintendent to hire personnel as the needs of the school system may require.

(c) The Board encourages qualified internal candidates to apply for vacancies.

(d) In the event of unique and extenuating circumstances, the process for posting a vacancy may be modified upon mutual agreement of the FCPS Human Resources staff and a FASSE UniServ Director.

Section 3.07 – Voluntary Transfers

(a) Unit members who desire a voluntary lateral transfer shall have access to a working FCPS device to review FCPS' application system. The unit member shall apply prior to a posting deadline and, if eligible, will be offered an invitation to be interviewed. If a posting is advertised as "Open Until Filled," a unit member must submit an application within seven (7) work days of the vacancy's posting.

(b) ELIGIBILITY – Non-probationary unit members are eligible for one (1) transfer during the identified school year.

(c) Probationary employees hired during the identified school year may be placed on the following year's transfer list provided they have completed at least one (1) year of service on or before June 30 and have satisfactory work performance.

(d) In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, length of service, and the overall needs of the school system. The intent of this language is to ensure a fair and consistent practice in transferring the best qualified candidate and is in no way meant to compromise the legal right of the Superintendent to transfer personnel as the needs of the school system require.

(e) The increase in time of a part-time support employee to a full-time position on the same pay schedule at the same job site or transfer within the same department is not considered a transfer provided that the new position is essentially the same as the current assignment.

(f) Educational support employees who have been transferred involuntarily are not limited in their eligibility for a transfer or promotion.

(g) A support employee temporarily assigned to a higher paying position for more than ten (10) consecutive workdays will be paid for the eleventh day, and any subsequent consecutive day, in accordance with Section 4.04.A.

Section 3.08 – Involuntary Transfers

(a) The Superintendent or designee may involuntarily transfer employees, as the needs of the schools require. Generally, an employee will receive in writing ten (10) working days in advance that they will be involuntarily transferred. If requested, the employee will be given the reasons for the transfer within five (5) working days.

(b) Where it is necessary to select a unit member for transfer where a transfer has not been requested and the transfer results from a reduction in the number of employees in a program or at a worksite, the following criteria may be considered. Such criteria are to ensure a fair and consistent practice and is in no way meant to compromise the legal right of the Superintendent to transfer personnel as the needs of the school system require.

- i. Volunteers may first be sought from that work location.
- ii. Unless deemed essential to an assignment based on skills and abilities, any probationary unit member(s) assigned to that location in the unit member assignment affected may be selected, with the least senior probationary unit member being transferred first.
- iii. Should the previous steps not satisfy the required number of transfers, the senior human resources manager may select individuals to be transferred and consider skills, abilities, and length of service.
- iv. Unit members designated as involuntary transfers may be reassigned ahead of unit members requesting voluntary transfers, unit members returning from

leaves of absence without pay, or new hires in the affected category.

Section 3.09 – Promotions

(a) A promotion is a change to a higher hourly rate from the previous position. In determining the selection of the successful candidate, the Board will consider such qualifications as: skills, abilities, experience, length of service and overall needs of the school system. The intent of this language is to ensure a fair and consistent promotional practice in promoting the best-qualified candidate and in no way is meant to compromise the legal right of a Superintendent to promote educational support employee.

(b) When a position becomes available that would cause a promotional opportunity within a particular department, that position may be filled by a qualified regular employee in that particular department as determined by the manager. Active, paid, professional experience, including paid leave, will be incorporated toward the experience considered when a promotional opportunity occurs for a lead or assistant lead position.

(c) When an employee is promoted into a new position, a six (6) month probationary period begins the date of the promotion. If an employee is not successful in the new position, the employee may be placed back into a similar position they vacated and to their previous salary. The employee will be eligible for any salary increases if the probationary period falls between fiscal years.

will be developed (see Section 1.2 Definition of Terms).

(c) If two (2) or more support employees have the same length of service, they shall be ranked in order of their first day of continuous regular employment and then, if necessary, by lot.

(d) Temporary and probationary employees in the affected category will be separated before any regular employees are reduced.

It is understood that it may be necessary to involuntarily transfer the food service employee in order to fulfill this commitment. This benefit applies only as long as the employee continues to maintain employment with the school system and does not impair or affect the school system's authority to institute a reduction in force or terminate for other reasons such as performance or conduct.

(h) When food service work hours must be reduced, volunteers willing to work fewer hours will be sought before support employees are transferred.

Section 3.11 – Recall

(a) Educational support employees who are laid off due to a reduction in force will be placed on a recall list and will be recalled based on [company seniority date](#). The most recently laid off employees will be first to return. Only those persons who are qualified will be considered for a given vacancy.

(b) Educational support employees who have been laid off will remain on the recall list for a period of one (1) year. If

any of those on the list declines a job offer, he/she will be removed from the recall list.

Appendix D

FASSE/FCPS Employees Sick Leave Bank Rules & Procedures

Statement of Intent

The purpose of the Sick Leave Bank (the Bank) is to provide sick leave to Bank members after their accrued and current year projected sick leave have been used. The Bank is to provide sick leave only in cases of prolonged, catastrophic, incapacitating personal illness, injury, or quarantine of the member during the regularly scheduled duty day, which is not likely to permanently disable the member.

Membership

1. Effective July 1, 2023, all new employees will be automatically enrolled in the Sick Leave Bank and make an initial contribution of one (1) day.
2. A new hire wishing to cancel their membership must submit an opt out form to the senior human resources officer within thirty (30) calendar days of their hire date.
3. Employees returning from an unpaid leave of absence may become members by donating one (1) day of sick leave within thirty (30) days of the date of reinstatement to active service.
4. To remain a member of the Bank, an employee must contribute to the Bank at the rate of one (1) day per year.
5. All new members/enrollees will be eligible to apply for a grant after a wait period of 180 calendar days.
6. Forms to join the Bank should be submitted to Human Resources. Forms to request sick leave from the Bank should be submitted to the Bank committee at the FASSE office.
7. Any regular FCPS employee whose work assignment is half time or more, and who is not eligible to participate in the FASSE Sick Leave Bank, is eligible to participate in the Bank after all other membership requirements are met.
8. Membership in the Bank will remain in force and continue from year-to-year with a deduction made

automatically as required unless membership is canceled in writing by the member before July 1.

Rules

1. The Bank may be used only by the individual contributor for his or her illness, injury, quarantine and must meet ALL the following criteria:
 - a. Personal
 - b. Prolonged
 - c. Catastrophic
 - d. Incapacitating
2. The Bank may NOT be used by the member to remain absent from work in order to assist a family member.
3. Only sick leave may be contributed to the Bank. Annual and personal leave may not be contributed.
4. For the purposes of administration of the Bank, sick leave is defined as:
 - a. A designated amount of compensated sick leave granted to an employee whose absence is due to an illness, injury, or quarantine which meets the requirements of rule 1 (above).
5. Sick leave may not be granted to any period of disability during which monies are paid to the member under worker's compensation. If a member who has utilized sick leave days granted by the Bank thereafter received benefits under the Workers' Compensation Act for those same days, pay will be administered in accordance with the Negotiated Agreement language on worker's compensation and the Bank will be reimbursed for any days used.
6. Elective (non-emergency, non-life threatening) surgery will not be covered during the school year for members who work less than twelve (12) months.
7. A member must be absent for five (5) consecutive workdays before being eligible for a grant from the Bank for that same illness, injury, or quarantine. Those five (5) days may be covered by the member's accumulated sick leave, personal leave, annual leave, or leave without pay in accordance with the prevailing policy. Once the five (5)

consecutive workday eligibility requirement has been met, subsequent intermittent absences for the same condition will not cause ineligibility.

8. Twelve (12) month support employees must exhaust annual leave after a grant of twenty-five (25) days to extend the SLB grant within the fiscal year.

9. Members must submit a request for the sick leave bank to the Bank committee chair at the FASSE office.

10. Requests must be made within fifteen (15) calendar days of return to work.

11. The Bank will request additional information if unable to reach a decision regarding the request.

12. All requests to draw upon the Bank must be accompanied by a signed physician's statement detailing the cause, nature, and prognosis for the illness, injury or quarantine.

13. The decision of the sick leave bank committee shall be approved by the Human Resources Personnel Officer unless the decision is inconsistent with sick leave bank regulations or is unsupported by documentation. Leave grants from the Bank will be made in units of not more than twenty-five (25) days (except in extreme cases as determined by the committee) and will not exceed fifty (50) days in any fiscal year. The maximum number of sick leave days that will be granted during any two (2) consecutive fiscal years is one hundred (100). Members who draw the maximum one hundred (100) days in two (2) fiscal years are ineligible to participate for the next fiscal year. When medically verified, employees may be allowed to use leave in one-half (1/2) day increments.

14. In cases where the committee recommends denial of either a request for leave, or additional leave, the Bank will notify the member directly in writing the reason for the denial. A member may appeal directly to the FASSE Board of Directors through the President within thirty (30) days of the denial.

15. A contributor will lose the right to request leave from the Bank if one (1) or more of the following occur:

- a. Termination or suspension of employment by FCPS.

b. Cancellation of participation which is effective only at the close of a fiscal year, June 30 of each year.

c. Refusal to provide requested information upon request of the sick leave bank committee.

d. Refusal to contribute leave in accordance with membership requirements.

e. Use of one hundred (100) days during two (2) consecutive fiscal years.

f. Refusal to apply for disability retirement benefits if the committee determines based upon the doctor's statement that the member may be unable to return to work.

16. The existence of the Bank and participation by employees in the Bank does not negate or eliminate any other FCPS sick leave policies, nor does it in any way negate the rights of individual employees who participate in the Bank to other sick leave benefits included in the FASSE-Board of Education Agreement.

Administrative Procedures

1. One (1) day of sick leave will be deducted from the member's sick leave account in the second pay period in October each year and will be placed in the Bank unless written notice of cancellation is given prior to July 1. Contributions to the Bank must be authorized by the employee on the appropriate form, available in the department of Human Resources. The annual contribution of one (1) day will be continued from year-to-year until canceled in writing by the member. Additional days may be assessed if the Bank has a negative balance at the end of the school year. Members will be notified prior to any additional deduction.

2. The president of FASSE will select employees to serve on the sick leave bank committee and shall submit their names to the FASSE Board of Directors for approval. FASSE will provide the names of the sick leave bank committee, in writing, to FCPS Human Resources Department by June 30 of each school year.

3. The Bank will approve all donations before they are forwarded to the Human Resources department.

4. The committee will review and recommend to the Human Resources Personnel Officer approval or denial of all requests for leave from the Bank within fifteen (15) working days of receiving the request.

5. All requests to draw upon the Bank must be made on the appropriate form.

6. When the committee deems a second opinion is appropriate, any member requesting leave may be required to undergo a medical examination and consultation by a physician of the committee's choice at the applicant's expense. Any member not wishing to submit to this requirement may withdraw their request without affecting future membership.

7. In the event a member is unable to personally complete the leave request form, an agent or family member may act on their behalf.

8. An employee must use all sick leave that will be accrued for the current fiscal year before requesting leave from the Bank. An adjustment will be made on the final paycheck to reflect any negative balance in sick leave. If the amount on an employee's paycheck is to be adjusted, said employee will be notified. In no case will the granting of leave from the Bank cause a member to receive more than their regular salary.

9. The payroll department will maintain records of all member contributions, withdrawals, cancellations and the status of the bank.

10. Any Bank member may review their membership application form, request for withdrawal of membership and approved request by contacting the Bank committee chair at the FASSE office.

11. If by the judgment of the committee, an applicant for leave, or an extension of leave, is eligible for disability retirement benefits, the committee may require the employee to apply for such benefits. Failure to apply as directed may result in disqualification from receipt of further benefits. The employee will continue to receive Bank benefits while waiting for a decision regarding disability retirement up to the allowable cap. Bank benefits shall cease when the disability retirement becomes effective. The member is required to notify the Bank of approval of any applications for disability retirement.

12. If an applicant receives an initial grant or an extension of a grant, and they are found to be ineligible for disability retirement, the committee may refer the member to a doctor of the committee's choice at the member's expense for an evaluation as to whether the applicant is permanently disabled. If the doctor certifies that the applicant's request for a grant or an extension of a grant is medically necessary, the committee will grant the required number of days, up to the allowable maximum.
